The Kingston Canvas Go! Plus microSDXC UHS-I memory card is designed to capture and store high-quality photos, videos, and files with reliability and speed. With a storage capacity of 128 GB, this flash memory card is suitable for photographers, videographers, and mobile device users who need reliable performance in a small form factor. It features a read rate of 200 MB/s, which reduces transfer times, allowing for quick access to files when needed. The included microSDXC to SD adapter adds versatility, making it compatible with various devices.
