The Kingston Canvas Go! Plus microSDXC UHS-I memory card offers a storage capacity of 128 GB, making it suitable for those who need space for their media files. With a read rate of 200 MB/s, this memory card provides fast data access, ensuring smooth performance for various applications. It is compatible with a wide range of devices for both personal and professional use.

Designed to withstand extremes, the Kingston Canvas Go! Plus performs well in harsh environments, featuring an operating temperature range from -25°C to 85°C. The card is rated A2, Video Class V30, UHS-I U3, and Class 10, making it suitable for intensive applications like 4K video recording and high-resolution photo capture. Experience reliable storage that meets the demands of modern technology with the Kingston Canvas Go! Plus.
