The Kingston Canvas Go! Plus microSDXC UHS-I memory card is designed to capture and store high-quality images and videos effortlessly. With a storage capacity of 256 GB, it provides ample space to accommodate extensive multimedia files while ensuring speedy performance. The card achieves read rates of 200 MB/s and write rates of 160 MB/s, making it suitable for quick file transfers and smooth playback of 4K videos. Its compatibility across devices allows for versatile usage in smartphones, tablets, cameras, and more, making it a practical choice for both casual users and professionals. Additionally, this memory card is built to endure extreme conditions, with a minimum operating temperature of -25°C and a maximum of 85°C, ensuring reliability in a variety of environments.
