

Chieftec BDK-550FC power supply unit 550 W 20+4 pin ATX ATX Black

Model: BDK-550FC

Manufacturer: CHIEFTEC

EAN: 753263077417

Product Code: 421765

R1,729

The SteelPower Series from Chieftronic brings many of the well-received and proven upmarket features and components from the PowerPlay series into the mainstream gamer’s market. Gamers can now benefit from the tight voltage regulation and low ripple thanks to the use of half-bridge LLC converters with DC-DC technology as well as premium Japanese capacitors in combination with 80PLUS Bronze efficiency and fully modular cable management. Offered in wattages of 550W, 650W and 750W, the SteelPower series benefits from a high power-density design allowing all the above mentioned to be packed into a compact 14cm long housing with a 120mm FDB silent fan. The design of the PSU comes in a rugged understated look.
