

CHIEFTEC ATMOS 850W 80PLUS GOLD PCIe GEN5 PSU

Model: CPX-850FC

Manufacturer: CHIEFTEC

EAN: 753263078407

Product Code: 421816

R2,889

The Chieftec ATMOS Series CPX-850FC power supply is a high-performance component designed to meet the needs of demanding PC builds. With an 80 PLUS Gold certification, it delivers efficient power conversion, reducing electricity costs and environmental impact. The unit is equipped with a 120 mm fluid dynamic bearing cooling fan, which, combined with Automatic Fanspeed Control (AFC) and Eco Fan Control, ensures optimal thermal management.

Its fully modular cable management system allows for a clean and organized installation, enhancing airflow and the overall aesthetics of your PC. The CPX-850FC is built to last, featuring Surge & Inrush Protection (SIP), overcurrent, overheat, overload, overvoltage, and short-circuit protection, safeguarding your valuable components from power anomalies. Compatibility is a key advantage, supporting a wide range of voltages and including various connectors to fit most PC/Server systems. Whether you're building a new PC or upgrading an existing one, the Chieftec ATMOS Series CPX-850FC power supply is a reliable choice that combines efficiency, cooling, and protection.

Product Description: Chieftec ATMOS Series CPX-850FC - power supply - 850 Watt | Device Type:

Power supply - active Power Factor Correction (PFC) - internal | Specification Compliance: ATX12V
