

SILICON POWER Portable SSD PX10 2TB USB 3.2

Model: SP020TBPSDPX10CK

Manufacturer: SILICON POWER COMPUTER & COMMUNICAT

EAN: 4713436156352

Product Code: 421826

R10,709

The SILICON POWER PX10 external hard drive combines durability with high-speed performance, making it a suitable storage solution for professionals on the go. Constructed from aluminum, it offers a sleek, portable design and meets the MIL-STD 810H 516.8 standards, ensuring it can withstand tough environmental conditions. With its USB 3.2 Gen 2 interface, users can enjoy rapid data transfer rates of up to 1050 MB/s, significantly reducing the time spent on file transfers and backups. Additionally, its ability to operate across a wide temperature range from 0 °C to 70 °C ensures reliable performance in various settings. Compliance with several international standards, including FCC and MIL-STD 810H 516.8, attests to its quality and reliability. Whether for work or personal use, the SILICON POWER PX10 is a versatile and efficient choice for those who need dependable storage on the move.
