

WD Purple Pro 8TB SATA 6Gb/s 3.5inch

Model: WD8002PURP

Manufacturer: WESTERN DIGITAL

EAN: 718037896748

Product Code: 421834

R11,258

The WD Purple Pro hard drive is engineered for the demands of high-definition surveillance systems. With a robust 8 TB capacity and support for up to 64 cameras, it's the suitable choice for security environments requiring round-the-clock recording. This hard drive features Advanced Format technology and Conventional Magnetic Recording (CMR) to ensure seamless video playback and data integrity, even in intensive surveillance settings. Its 256 MB buffer size and fast data transfer rates of up to 600 MBps enable efficient data handling, making it perfect for surveillance systems that cannot afford to miss a frame. Additionally, the WD Purple Pro is designed to be energy efficient, with low power consumption during read/write operations and even lower in standby modes, making it a cost-effective solution for continuous operation. Its durability is further enhanced by a tarnish-resistant construction and the ability to withstand a workload of up to 550 TB per year, ensuring long-term reliability and performance. With compliance to various international standards and a mean time between failures (MTBF) of 2,000,000 hours, the WD Purple Pro stands out as a reliable, high-capacity storage solution for modern surveillance needs.

Product Description: WD Purple Pro WD8002PURP - hard drive - 8 TB - surveillance, smart video - SATA 6Gb/s | Type: Hard drive - internal | Capacity: 8 TB | Form Factor: 3.5" | Interface: SATA 6Gb/s |
