

CHIEFTEC VITA Series 750W 80 Plus ATX 12V PSU

Model: BPX-750-S

Manufacturer: CHIEFTEC

EAN: 753263078629

Product Code: 421848

R1,818

The Chieftec VITA Series BPX-750-S power supply is a cornerstone for building or upgrading a PC or server, offering 750 watts of power backed by 80 PLUS Bronze certification for energy efficiency. Designed for versatility, it supports a wide voltage input range from AC 100-240 V and features active Power Factor Correction (PFC) with a power factor of 0.9, ensuring that power is delivered efficiently and reliably to your system's components.

Incorporating advanced cooling technology with a 120 mm fan, the BPX-750-S maintains optimal temperatures, enhancing system stability and component longevity. Its comprehensive suite of protection features, including overcurrent, overload, and overvoltage protection, ensures your system is safeguarded against a variety of electrical hazards. Furthermore, its commitment to environmental standards, demonstrated by compliance with ErP Ready, lead-free, and RoHS certifications, makes it an eco-friendly choice for consumers concerned about their ecological impact.

Product Description: Chieftec VITA Series BPX-750-S - power supply - 750 Watt | Device Type: Power supply - active Power Factor Correction (PFC) - plug-in module | Specification Compliance: ATX12V
