Discover the immersive audio experience of the CORSAIR Gaming HS35 v2 headset, designed for gamers who demand quality and versatility. This headset features a built-in, omnidirectional microphone mounted on a boom for clear, directional communication and easy adjustments. With a cable length of 1.8 m, it offers freedom of movement during intense gaming sessions. The connectivity via a 3.5 mm jack makes it widely compatible with computers, game consoles, and portable electronics, ensuring you stay connected across all your gaming platforms.

The HS35 v2 doesn't compromise on comfort or sound quality. Full-size ear parts, covered in soft fabric, provide comfort for long hours of use, while the neodymium magnets and a 50 mm diaphragm diameter deliver rich, stereo sound that brings your games to life. Volume and microphone controls are conveniently located on the headset, allowing for easy sound adjustments and quick muting. Whether you're gaming at home or on-the-go, the CORSAIR Gaming HS35 v2 headset is your ideal companion.
