

CHIEFTEC APEX Q E-ATX gaming case

Model: GA-01B-Q-OP

Manufacturer: CHIEFTEC

EAN: 753263078643

Product Code: 421955

R2,115

The Chieftec Apex Q tower chassis strikes a balance between cooling efficiency, performance, and quiet operation. Designed for both enthusiasts and professionals, this case is compatible with a broad spectrum of motherboards from ATX to Mini-ITX, ensuring versatility for various system configurations. Its front panel offers essential connectivity options, including USB 3.0 and USB-C 3.2 Gen 2 ports, along with audio in/out jacks, to accommodate all your peripheral needs. The Apex Q is engineered for effective cooling, with ample support for multiple fans and radiators to maintain optimal system temperatures. Additionally, its sound dampening panels help minimize noise, providing a more focused environment for gaming and professional tasks. Capable of housing high-end components with ease, the Apex Q demonstrates Chieftec's commitment to quality and thoughtful design.
