R2,849

Discover a gaming companion with the CORSAIR M75 WIRELESS mouse. Engineered for precision, it features a high-resolution 26,000 DPI CORSAIR MARKSMAN sensor and CORSAIR QUICKSTRIKE buttons for swift, decisive actions. Its ergonomic design supports both right- and left-handed users, ensuring comfort during extended gaming sessions. The mouse is equipped with PTFE glides for effortless movement across any surface and customizable buttons for a gaming experience tailored to your preferences. With dual connectivity options, including 2.4 GHz and Bluetooth, it offers seamless integration with your gaming setup. The lightweight construction is beautifully accented with RGB lighting, making it not just a tool, but a centerpiece of your gaming arsenal.
