

CHIEFTEC ICEBERG 240 DARK CPU Liquid Cooler

Model: CLC-240-BLK

Manufacturer: CHIEFTEC

EAN: 753263078742

Product Code: 421963

R1,766

The Chieftec Iceberg 240 DARK is an efficient processor liquid cooling system designed for those seeking optimal thermal management for their CPU. Featuring a dual 120 mm fan setup, this all-in-one liquid CPU cooler effectively dissipates heat with a rotation speed of up to 2000 rpm and an air flow rate of 64.72 cfm. It is compatible with a wide range of sockets including LGA1700, AM4, and AM5, suitable for various builds and upgrades. Incorporating a visually striking infinity mirror pump cap design, the cooler also includes addressable RGB for customizable lighting options, enhancing any gaming setup or workstation. Installation is straightforward with all necessary mounting brackets and screws included, while the PWM feature ensures fans operate efficiently with minimal noise levels, maintaining a quiet environment. The Chieftec Iceberg 240 DARK is a companion for gamers and professionals looking to keep their systems cool and stylish.

Product Description: Chieftec Iceberg 240 DARK - processor liquid cooling system | Product Type:

Processor liquid cooling system | Package Content: Fan screws, bracket screws, radiator screws,

thermal grease, backplate, mounting brackets, thumbscrews | Compatibility: LGA1150 Socket,

LGA1151 Socket, LGA1155 Socket, LGA1156 Socket, LGA1200 Socket, LGA1700 Socket, LGA1851
