

GEMBIRD CAT5e UTP Patch cord grey 5m

Model: PP12-5M

Manufacturer: GEMBIRD

EAN: 8716309011525

Product Code: 422047

R535

The Gembird PP12-5M patch cable is designed to connect devices within a network with reliability. Featuring a Category CAT 5e specification, this cable ensures performance for various networking tasks, delivering quick and efficient data transfer. With molded connectors and gold-plated RJ-45 male connectors on both ends, this cable provides durability while minimizing signal loss.

Compliant with several standards including UL, VDE, ISO 9002, RoHS, and WEEE, the Gembird PP12-5M cable represents a commitment to quality and safety. Its 8 wires arranged in 4 pairs and the 26 American Wire Gauge (AWG) rating ensure dependable connectivity suitable for personal and professional use.
