

GEMBIRD PP6U-5M/G :UTP Cat6 Patch cord 5m green

Model: PP6U-5M/G

Manufacturer: GEMBIRD

EAN: 8716309093170

Product Code: 422058

R563

The Gembird Cablexpert PP6U-5M/G is an efficient CAT 6 patch cable designed for reliable networking. Featuring UTP technology, this cable is equipped with male RJ-45 connectors on both ends, ensuring secure connections. The stranded design with Copper-Clad Aluminium (CCA) conductors enhances flexibility and minimizes signal loss, making it suitable for various applications. Additionally, the molded connectors with gold plating provide durability and prevent wear over time. Packed in a poly bag for storage, this patch cable comes with strain relief features to support long-term use without damage. The cable meets numerous compliance standards such as ISO 9002, RoHS, and WEEE, ensuring it adheres to high-quality manufacturing processes, making it a trusted choice for users seeking dependable network connectivity.
