The Fellowes AutoMax 100M shredder combines functionality with security, offering a high-capacity, automatic feeding system that can handle up to 100 sheets at once. Its SilentShred technology ensures a quiet operation, making it perfect for shared environments. With a continuous run time of 15 minutes and a P-4 security level, it efficiently shreds sensitive documents, 3 credit cards, paper clips, and staples into 4 x 10 mm particles. Additional features like automatic sleep mode, motor reverse, and a pull-out bin with wheels underscore its user-friendly design, making it an essential tool for maintaining document confidentiality in any office setting.
