The Fellowes Powershred 6M shredder is designed for those who seek efficiency and security in document disposal. With a continuous run time of 5 minutes and a P-4 security level, this mini-cut shredder turns sensitive documents into 4 x 12 mm pieces, ensuring your personal and business information remains confidential. The 13-liter wastebin is equipped with an inspection window, allowing for easy monitoring and preventing overfill. Beyond paper, the Powershred 6M can handle credit cards, paper clips, and staples, offering a versatile solution for all your shredding needs. Its compact design and 220 mm paper entry width make it ideal for personal use, fitting seamlessly into any home or small office environment.
