Next generation shredding offers unmatched productivity and 100% Jam Proof performance. Intellibar responsive technology provides in-use feedback that maximizes shredder performance - preventing interruptions by indicating when bin & sheet capacity is nearing the limit, or the run time is close to being reached. Safesense Technology offers greater peace of mind in home environments and Sleep Mode automatically powers down the shredder after periods of inactivity. Micro-cut security shreds each sheet of A4 paper into over 2000 particles (2x12mm P-5). 12 sheet shredding capacity and 22 liter pull-out bin. Shreds several hundred sheets of paper over the 10-minute run time.
