Product Code: 422100

R26,793

The HP OmniBook Ultra Flip Laptop seamlessly combines performance, versatility, and portability. With a sleek 14-inch OLED display featuring a native resolution of 2880 x 1800, this laptop ensures brilliant visuals with vibrant colors, thanks to its 100% DCI-P3 color gamut and HDR 500 capabilities. The touch-sensitive interface further enhances the user experience, allowing for intuitive navigation while displaying images with flicker-free technology that safeguards eye comfort during extended use. Its innovative convertible design accommodates both laptop and tablet modes, making it ideal

for those on the go who value flexibility in their devices. Equipped with Intel Core Ultra 5 processor, this laptop delivers reliable performance whether multitasking or running demanding applications, supported by 16 GB of LPDDR5X SDRAM. With an advanced 1 TB SSD for storage, users will enjoy swift boot-up times and ample space for files, applications, and media. Connectivity options abound with three USB-C ports, including Thunderbolt 4, and dual-band Wi-Fi 7 support for ultra-fast Internet access. This HP laptop is functional and environmentally conscious, utilizing post-consumer recycled materials in its construction.
