The Lenovo ThinkBook 14 2-in-1 G5 IAU is designed to blend performance and versatility. With a 14-inch Full HD (1920 x 1200) IPS touchscreen display, it provides a vibrant and clear viewing experience, enhanced by features such as Corning Gorilla glass and an anti-fingerprint coating. The device is equipped with a powerful Intel Core Ultra 5 processor, 12-core architecture, and DDR5 RAM for seamless multitasking capabilities, catering to both professional and casual users alike. This 2-in-1 notebook is designed for practicality with a mechanical 360° flip design, allowing for easy transition between laptop and tablet modes. Audio is elevated with Harman audio technology, Dolby Atmos support, and a dual-array microphone for clear call quality. Security is prioritized with a fingerprint reader and a discrete Trusted Platform Module, ensuring that your data remains
