R547

The Gembird Professional series USB cable delivers reliable connectivity with its durable, molded design. Compliant with USB 2.0 standards, it provides both male Type-A and male Type-B connectors, ensuring compatibility with a wide range of devices. The gold-plated connectors enhance conductivity and minimize signal loss, making this cable an essential accessory for anyone needing dependable data transfer capabilities. Its UL, ISO 9002, and RoHS certifications ensure that you are choosing a product that meets standards for quality and safety, making it a practical choice in professional and personal environments.
