The Gembird Cablexpert USB-C cable is designed to provide reliable connectivity and fast data transfer for various devices. With a 24-pin USB-C left connector and a 4-pin USB Type-A right connector, this cable supports syncing and charging with ease. The gold-plated connectors enhance durability and ensure a stable connection, while compatibility with PC devices makes it a versatile choice for everyday use. Constructed with adherence to ISO 9002 and RoHS standards, this cable reflects a commitment to quality and safety. Offered in a 1 meter length, it provides ample reach for connection in tighter spaces, making it ideal for home or office setups.
