

GEMBIRD A-CM-COMBO5-04

Multi Port Adapter USB Type C 5in1 Hub + HDMI + PD + LAN

Model: A-CM-COMBO5-04

Manufacturer: GEMBIRD

EAN: 8716309124270

Product Code: 422154

R872

The Gembird Cablexpert A-CM-COMBO5-04 enhances connectivity with a compact 12 cm USB-C 3.1 cable. It facilitates connection to various devices with its integrated form factor. The docking station supports a range of interfaces, including USB 2.0, USB 3.1 Gen 1, HDMI, and Ethernet, enabling applications from data transfer to high-resolution video output. With support for 4K at 30 Hz via HDMI, this cable ensures a visually rich experience while allowing for fast data transmission through Fast Ethernet capabilities. Crafted with a durable metal housing, the Gembird Cablexpert model meets ISO 9002 standards and adheres to environmental regulations like RoHS. The USB Power Delivery 2.0 compatibility provides up to 87 W of power, making it a solution for charging devices while in use. This product also features Plug-and-Play functionality, ensuring hassle-free connections
