Product Code: 422159

R555

The Cablexpert Premium USB-C cable by Gembird is a reliable choice for connecting various devices with ease. This cable features a molded design that ensures durability, making it suitable for data transfer and charging purposes. With USB 2.0 compliance and a data rate of 480 Mbps, it efficiently handles data with minimal interruption while providing a rated current of 2.1 A for rapid charging. Crafted with a silicone jacket, this cable is built to withstand daily use and resist wear. The USB Type-A to USB-C configuration allows for versatile connections, ensuring compatibility with a range of devices. With adherence to compliance standards such as ISO 9002, WEEE, and RoHS, the Cablexpert Premium USB-C cable is functional and environmentally responsible, making it a choice for consumers seeking quality and performance.
