R3,472

Take control of your print environment. Simple, effective tools will help you slash print costs and keep print data secure, while increasing user convenience and productivity. Combine security with productivity. HP Access Control Express (HP AC Express) reduces the risks of unclaimed print jobs, sensitive documents left unattended, and frustrated users. Sophisticated job tracking helps you allocate costs and optimize device deployment. This bundle of solutions is cost-effective and tailored to the specific needs of your imaging and printing environment.
