Product Code: 422432

R4,502

Lanberg's Free-standing, OPEN RACK OR01-6832-B is a great solution (an alternative to a 32U free-standing rack cabinet) designed to expand networks, installation of cabling and equipment in size 19" with max. 600kg. loading capacity.

It can be used in networks, server rooms, small and medium businesses. It can also work in low voltage systems, such as cable television networks, alarm systems, fire protection systems and access control systems, CCTV and IP surveillance. Appropriate design allows simple, self-assembly. This product is made of high grade cold rolled steel.
