

LANBERG FF01-8242-12B free-standing rack 19 self-assembly flat pack 42U/ 800x1200 black

Model: FF01-8242-12B

Manufacturer: LANBERG

EAN: 5901969424485

Product Code: 422434

R27,298

The Lanberg's freestanding cabinet FF01-8242-12B is a solution designed to expand networks, installation of cabling and equipment. It can be used in networks, server rooms, small, medium businesses and data centers which need a lot of space in a cabinet for network equipment. This particular cabinet can also work in low voltage systems, such as cable TV networks, alarm, fire protection and access control systems, CCTV or IP surveillance.

The product construction is made of high-grade cold-rolled steel which is characterized by excellent design and high quality of craftsmanship. The cabinet allows full adjustment of the depth of the vertical mounting rails. Additionally, it is equipped with a front tempered glass door with a lock and the possibility of installing these doors on the right- or left-hand side. This server product has removable side panels and rear doors which are made of solid steel with a lock. The fan tray includes 4 fans.
