Product Code: 422438

R27,772

Discover the Lanberg 42U rack, tailored for those seeking a robust, secure, and efficient solution for their equipment. This rack, crafted from high-quality cold-rolled steel, is not just a housing but a safeguard for your valuable equipment, supporting up to 1200 kg. It comes fully equipped with 6 cooling fans, ensuring your equipment remains cool and operational under any load. The freestanding design offers flexibility in placement, making it a perfect fit for any setting. With a comprehensive package that includes all necessary setup accessories, from M6 cage nuts to wheels and keylocks, setting up your rack is straightforward and hassle-free. Moreover, its compliance with several standards, including ANSI/EIA-RS-310-D and IP20, ensures your setup meets high-quality and safety benchmarks. Whether for data centers, IT labs, or any tech environment, the Lanberg rack stands as a testament to durability, security, and efficiency.
