

POWERWALKER UPS Line- Interactive 3000VA SCL 4x Schuko RJ11/RJ45 In/Out USB LCD

Model: VI 3000 SCL

Manufacturer: POWER WALKER

EAN: 4260074982169

Product Code: 422462

R5,391

The PowerWalker VI 600-3000 SCL series offers a simple yet effective solution for PCs and other home applications. It is available with Type F (CEE 7/3), Type E (CEE 7/5) and Type G (BS 1363) outlets and features a microprocessor-controlled Automatic Voltage Regulator, which stabilizes voltage within a safe limit by switching to boost and buck modes. The series offers convenient touch panel which allows to scroll through most useful monitored parameters.

All UPSs in this series can be turned on directly from battery (cold start function) and internal batteries can be charged in standby mode. This model comes with a USB port with HID support and can be monitored and controlled using the PowerWalker ViewPower software or directly using O/S' native drivers thanks to HID.
