

APC Back-UPS BE650G2-GR UPS AC 230V 400Watt 650VA output connectors 8 Black

Model: BE650G2-GR

Manufacturer: APC

EAN: 731304347217

Product Code: 422562

R3,529

The APC Back-UPS BE650G2-GR is designed to provide reliable power protection and efficient energy distribution for your home or office equipment. Featuring a 650 VA / 400 W power capacity, it ensures your devices remain operational during power disruptions, with up to 132 minutes of runtime on low-power loads. This UPS includes 8 output connectors, catering to a wide range of electronic devices, and offers both surge-only and UPS protection. Additionally, it comes equipped with a USB charging port, allowing you to keep mobile devices charged during outages. With comprehensive dataline surge protection, your network connections are safeguarded, ensuring uninterrupted productivity and peace of mind.
