

ORVALDI i600LCD USB UPS

Model: ID600CH

Manufacturer: ORVALDI

EAN: 5904006036405

Product Code: 422576

R2,001

The Orvaldi i600LCD USB UPS is designed to provide reliable power protection and backup for a wide range of devices. With a 600 VA / 360 Watt power capacity and line interactive UPS technology, it ensures your equipment stays operational during power outages. The unit features Automatic Voltage Regulation (AVR) to maintain stable voltage levels, an LCD display for monitoring status in real-time, and an array of output connectors for versatile connectivity options. Safety is a priority with built-in protections against overload, short-circuit, and an audible alarm for immediate issue notification. Additionally, the UPS includes a built-in USB charger for added convenience, making it an ideal power protection solution for both home and office environments.
