### **Elegance Meets Functionality**

Swift 14 AI and Swift 16 AI are a testament to Acer's design philosophy. Crafted with precision and attention to detail, these laptops are as beautiful as they are powerful. Their sleek, lightweight form makes them the perfect companion for your on-the-go lifestyle.

### **Vivid Views, Immersive Experiences**

Prepare to be captivated. Swift 14 AI and Swift 16 AI feature high-resolution displays that deliver stunning visuals with exceptional clarity. Whether you're editing photos, streaming videos, or simply browsing the web, every image comes to life in vibrant detail.

### **It's Possible on Your Intel AI PC**

More productive. More creative. More battery life. Swift 14 AI and Swift 16 AI are powered by the latest Intel® Core™ Ultra processors (Series 2), delivering the speed and responsiveness you need to tackle any task with multi-day battery life. From demanding creative projects to seamless multitasking, experience performance that keeps pace with your ambitions.

### **Your Personal Productivity Partner**

These Copilot+ PCs offer more than just fancy software; they're an extension of your workflow. They anticipate your habits, cater to your needs, and offer intelligent suggestions, so you can focus on

what truly matters.

## **Intelligence That Amplifies Your Potential**

Acer AI isn't just about automation, it's about enhancing your capabilities. Experience the power of AI as it seamlessly integrates into your daily tasks, providing smart insights and personalized recommendations.

## **Streamline Your Settings**

A versatile tool accessible at the touch of a button, AcerSense™ lets you access all your device's AI features in one place. For a smoother, more user-friendly AI experience.

## **Smoother Video Calls**

Look and sound your best with PurifiedView™ 2.0 and PurifiedVoice™ 2.0. Optimize your video calling experience with auto-framing, super-sharp resolution, and portrait refinement, while AI noise cancellation and a triple-mic setup ensure crystal-clear audio.

## **Cloud-Free, Local AI**

Acer Assist™ is a personal AI helper that works entirely on your device. It assesses your local files, helping you find elusive documents or specific text – all without sending data to the cloud.

## **Personalized Desktop Art**

Transform your desktop into a daily masterpiece that inspires and delights. Acer VisionArt™ creates stunning, personalized AI-generated backgrounds based on your location and theme, producing high-fidelity wallpapers that tell your story.

## **Fun Creation**

Instantly remove backgrounds from images with Acer LiveArt™ 2.0. Edit and create AI stickers to paste anywhere, and when you screenshot or open an image, the menu screen intuitively pops up to assist.

## **Intuitive Presence Detection**

Acer User Sensing™ 2.0 detects when you step away, auto dimming the screen for privacy and battery preservation and waking when you return. And with just a glance, seamlessly move windows

between multiple screens to enhance your multitasking experience.

### **Your Data and Privacy Secured**

Rest assured, knowing your personal details remain protected even if your device is compromised with hardware level Secured-Core PC (Level 3) protection as well as Intel's hardware-based security features.

### **On-Device AI Tasks**

Instead of dispatching sensitive data to the cloud for processing, the built-in NPU can empower Swift 14 AI and Swift 16 AI to perform some AI tasks locally, for increased privacy.

### **Effortless Login. Staunch Security.**

Biometric security features with Windows Hello allow for login through facial recognition or fingerprint sensor, so only you can access your device.

### **Rest Easy**

One flick of the webcam privacy shutter means that all your personal moments are shielded and digitally closed off.

### **Safeguard Against Threats**

With free access to McAfee+ Premium and McAfee Smart AI™, you get powerful security features like AI-powered threat detection, text scam protection, and deepfake detection – helping you easily spot real versus fake content.

### **Stay Connected, Anywhere**

The world is your playground. With lightning-fast Wi-Fi 7 and Bluetooth 5.4, Swift 14 AI and Swift 16 AI keep you connected wherever you go. Experience seamless streaming, lag-free video calls, and effortless file transfers without missing a beat.

### **Expand Your Possibilities**

Connect, create, and collaborate. Swift 14 AI and Swift 16 AI deliver seamless connectivity with versatile ports, a 1440p webcam, and enhanced audio, ensuring you're equipped for smooth communication and productivity with all your devices.
