This APC Smart-UPS is designed for small to medium business users to maintain business uptime and continuity. This 1000VA line interactive 2U rackmount UPS provides pure sine wave power to support critical electronics during power disruptions. The UPS comes with IEC 320 C14 input, 4x IEC 320 C13 outlets, and 2x IEC jumper cables. This UPS offers cloud-based remote power monitoring, UPS firmware upgrades, remote diagnostics and proactive email notifications with recommended actions. The Smart-UPS C has an intuitive graphic LCD interface. The UPS can connect to EcoStruxure IT or third-party centralized management platforms. This line interactive UPS operates in green mode for high operating efficiency. The SMC has a 2-year warranty, and comes with a built-in lead-acid battery. This UPS provides surge protection against lightning strikes, power sags, brownouts and surges. This is compatible with a dedicated user-replaceable battery, and the APC replacement battery cartridge helps restore UPS performance to the original specifications. Designed for small offices or small business owners to maintain a core network and business communication.
