R736

Professional choice USB 2.0 Type A to C cable for commercial and high performance AV and IT installations

Supports data transfer speeds up to 480Mbps

Robust PVC housing, gold plated connectors and contacts

Double shielded cable, corrosion resistant tinned copper conductors

USB 2.0, 480Mbps; 10 year warranty

From the Lines cable connectivity concept developed by Lindy, Anthra Line USB 2.0 Type A to C cables are the professional choice for high performance connections in commercial AV and IT installations.

USB Type C features a reversible connector, so no matter which orientation the cable is inserted, a connection will always be found. This connector allows a fully bi-directional cable with automatic host and device negotiation.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
