

Lindy DVI-D to VGA Converter

Model: 38189

Manufacturer: LINDY

EAN: 4002888381895

Product Code: 428586

R1,121

The Lindy DVI to VGA converter converts signals from a DVI-D equipped source into a VGA signal. It supports resolutions up to 1080p and 1920x1200 for VGA displays. This allows the connection of DVI capable devices, such as PC's, notebooks and ultrabooks, to an older VGA display or projector.

The converter can also be used to add another display to extend the available desktop workspace. It is also ideally suited for travelling due to its compact, lightweight form factor and convenient plug and play installation.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
