The Lindy DisplayPort 1.2 to HDMI Converter is ideal for connecting a DisplayPort equipped source such as a PC or laptop to an HDMI monitor or HDTV. It supports high definition video resolutions up to 1920x1080@60Hz and allows Audio pass-through if supported by the video source.

The converter can also be used to add another display to extend the available desktop workspace and increase productivity. Internal copper shielding provides enhanced reliability and compatibility. The converter is also ideally suited for travelling due to its compact, lightweight form factor and convenient Plug and Play installation.
