

Lindy 2m DisplayPort to VGA Cable

Model: 41942

Manufacturer: LINDY

EAN: 4002888419420

Product Code: 428629

R894

The Lindy DisplayPort to VGA Cable is ideal for connecting a DisplayPort equipped source such as a PC or laptop to a legacy VGA display or projector. It converts the digital signal from the DisplayPort connection into an analogue VGA signal and supports high definition video resolutions up to 1920x1200@60Hz.

This cable can also be used to add another display to extend the available desktop workspace and increase productivity.
