

Lindy DisplayPort 1.2 to DVI Active Converter

Model: 41734

Manufacturer: LINDY

EAN: 4002888417341

Product Code: 428631

R959

The Lindy DisplayPort to DVI Converter is ideal for connecting a DisplayPort equipped source such as a PC or laptop to a DVI display or projector. It supports high definition video resolutions up to 1920x1200@60Hz. Active conversion ensures compatibility with various graphics cards including AMD Eyefinity, NVIDIA surround and Intel Collage.

This converter can also be used to add a secondary monitor for extended or mirrored desktop modes to increase productivity and screen real estate. It is also ideally suited for travelling due to its compact, lightweight form factor and convenient plug and play installation.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
