Premium design speaker set with rich sound and deep bass, for PC and laptop

Arys 2.0 Speaker Set

Are you looking for a speaker set which provides a rich sound and deep bass for your PC or laptop? With the Arys 2.0 Speaker Set, you can play music, games and movies in high-quality sound. It will turn up the music at any home or office desk!

Versatile sounds

With a peak power of 28W, the Arys provides a rich sound and bass. You can listen to your favourite music and the sounds of the latest games and movies coming from your PC or laptop. For versatile use, you can plug in your phone, tablet or other music playing device – the choice is yours.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Easy to use

The speakers can be placed anywhere, thanks to the compact design with stylish metal grill, these are a perfect addition to any desk. The Trust Arys is USB powered which means that you can install the speakers very easily. Simply connect the USB cable to your computer and plug in the 3.5mm jack plug and the speaker will channel all your sounds.

Listen in silence

If you don't want to disturb others, or want others not to disturb you, plug in your headphones on the side of the speakers. With the volume button located on the front of the speaker, you can adjust the volume at any time.
