EAN: 5711045242151

Product Code: 449153

R717

The NC 1524 RCA Male to BNC Female adapter provides a reliable and high-quality connection for adapting RCA audio/video outputs to BNC inputs. This adapter is ideal for connecting devices such as DVD players, VCRs, and older video equipment to professional video monitors or surveillance systems that use BNC connectors. Engineered with precision, the BNCRCAADAPTOR ensures minimal signal loss and maximum compatibility. As a leading provider of connectivity solutions for over 20 years, MicroConnect delivers premium quality at fair prices, allowing you to integrate various video sources seamlessly into your setup. Trust MicroConnect for pioneering innovation and dependable performance.
