

Canon CLI-571 BK/C/M/Y Ink Cartridge Multi Pack

Model: 0386C005

Manufacturer: CANON

EAN: 8714574631820

Product Code: 451129

R2,549

This multipack contains one each of black, cyan, magenta and yellow ink tanks. Thanks to the ChromaLife100 system, these 7ml ink tanks provide long lasting print quality for both photos and documents. This colour ink cartridge allows you to print up to 349 pages of A4 documents at ISO/IEC 24711* standard.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
