R5,498

Product Highlights

The robust design and the powerful brushless motor of the GST 18V-125 S Professional (with barrel grip) ensure increased tool longevity and excellent tool runtime. The cordless jigsaw is a reliable problem solver for all applications at an optimal price-performance ratio in its segment. The GST 18V-125 S Professional keeps it simple with a focus on core important functions such as SDS blade holder, LED, 4-stage pendulum, dust blower and Speed Selection.

Equipment & Application

This cordless jigsaw is ideal for curved and cross cuts in solid wood, chipboard, and wood composites as well as for thicker or harder materials. It can be used with guide rails via adapter. The tool is
