GDR 18V-200 Professional: Further information

Product Highlights

The GDR 18V-200 Professional cordless impact driver offers an excellent power-to-size ratio with ¼” bit holder. With a head length of 126 mm, this cordless impact driver is suitable for even tight spaces. The GDR 18V-200 is equipped with a brushless motor for a strong tightening torque of 200 Nm, excellent battery runtime and a long tool lifetime. For a better control over speed and torque, this cordless impact driver features a variable speed trigger.

Equipment & Application

The GDR 18V-200 Professional is intended for tightening and removing screws when working in metal sheet, metal and wood. Furthermore, this cordless impact driver is compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V System).

Additional Information

It offers also Electronic Cell Protection (ECP), a LED light and a belt clip.
