

Zebra Z-Band Direct Blue

Model: 10006995-2K

Manufacturer: ZEBRA

EAN: 4056572721542

Product Code: 452650

R7,044

Zebra's Z-Band direct thermal wristbands allow you to print patient information and bar codes directly on the wristbands, so there is no need for labels and the time consuming wristband assembly inherent to laser technology.

- Feature a silver antimicrobial coating that protects the wristband and has been shown in laboratory tests to prevent the growth and survival of microorganisms, such as S. aureus, E. coli, P. aeruginosa and MRSA Types II, III and IV.
- Are scannable for up to 14 days, promoting quality patient care and safety.
- Are quick and easy to print and fasten in less than a minute using an adhesive tab or color clip.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
