

Yealink - SmartVision 80

Model: 1206679

Manufacturer: YEALINK

EAN: 6938818322394

Product Code: 454660

R53,151

Driven by an advanced quad-lens 4K system—including a panoramic lens, dual telephoto lenses, and a PTZ lens—the camera intelligently selects and coordinates lenses to match your viewing needs. Whether you want a broader perspective of participants up close, or pinpoint clarity of distant seats, every view is perfectly captured. The unrivalled 20x optical zoom ensures even the farthest subject as far as 20 meters is brought into sharp focus.
