their hands and work while taking calls.

Vibration Alarm

Every new message can be critical to the business, and the vibration alarm feature makes sure that every call is noticed, even in cluttered and stressful environments. Missing calls will not be your concern.

Quick Charging

Long charging time will reduce work efficiency, but that will not happen with Yealink W78H. 10-minutes charging time can outlast two hours of talk time, so even if you forget to charge, you don't have to worry about work being delayed.

Multiple Choices, Seamless Compatibility

Yealink W78H is compatible with DECT bases of single cell (W70B) for small- to medium-sized business as well as multi-cell(W80DM/W90DM) for larger spaces, providing superior mobile communication experience with seamless handover and an industry-leading roaming solution to meet diverse needs of scalable DECT solutions.
