R1,280

Sandberg USB 3.2 Case makes external connection of M.2 and NVMe SSD disks in several sizes easy. The small and handy aluminium case is simple to open with a single button, and clicks back into place once the disk is in, avoiding the use of screws completely. It can be connected to either USB-C or traditional USB-A. With a USB 3.2 interface, you get fast transfer speeds of up to 10 Gbps.
