As a professional tradesperson, you need tools that are easy to use and meet all legal requirements. With the Bosch Professional VDE combination pliers, you can grasp or pull objects like nails, or cut objects like wires, even if you unexpectedly make contact with live parts. This standard-compliant tool is insulated with Thermoplastic Polyurethanes (TPU). It has been tested up to 10,000 volts and VDE-certified up to 1,000 volts according to DIN EN/IEC 60900. You will find the VDE pliers convenient to handle and easy to cut with. They grasp and cut well, and last a long time. These durable pliers are made of robust chrome vanadium steel and have hardened cutting edges. With VDE hand tools added to our Bosch Professional range, you get all your tool requirements in reliable Bosch quality.

Equipment & Application

Use these robust pliers to grasp or pull objects like nails or cut wires. With their ergonomic soft grip, they are comfortable to use.
