

InLine 16410I power extension 10 m 1 AC outlet(s) Indoor White

Model: 16410I

Manufacturer: INLINE

EAN: 4043718334353

Product Code: 456304

R1,248

Compatible with Italian power grids thanks to type L plug

Combined socket type F/L: connection of German **and** Italian devices

High contact protection for maximum safety

Available in four practical lengths (2 m, 3 m, 5 m, 10 m)

The InLine® earthing contact extension cable with Italian mains plug (type L) and combined earthing contact coupling (type F/L) enables the reliable operation of German **and** Italian electrical appliances in 230 V power networks. Particularly suitable for international projects, technical installations or mobile applications, the cable offers a safe, flexible and practical solution for specialist dealers, system houses and industrial customers.

The integrated combi socket saves adapter solutions and simplifies the power supply for mixed device parks. The additional touch protection increases safety, especially in professional use. The
