InLine HDMI adaptor, male/female, angled up, golden contacts, 4K2K

Model: 17600F

Manufacturer: INLINE

EAN: 4043718125470

Product Code: 456966

R820

InLine® adapter for connecting or extending an HDMI cable. Tested on a Display with 4K2K @30Mh resolutions, this adapter also finds applications in Audio / Video (A/V) systems, Home Entertainment, Digital Signage, digital signage, professional and industrial videoposters or digital signage in environments such as conference rooms, auditoriums, airports, stadiums and more. This adapter is bent at a 90-degree angle, making it easy to install in situations where the distance between the TV or monitor and the wall is narrow.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
