

# InLine Handset spiral cable, RJ10 4P4C M/M, black, max. 2m

Model: 18893I

Manufacturer: INLINE

EAN: 4043718273362

Product Code: 457453

## R820

Coiled cable for connecting the handset to the base station. Both ends are fitted with RJ10 plugs (4-pin). The length specification corresponds to the cable in its maximum extended state. A longer distance to the spiral on one side allows the cable to be laid in or under the telephone.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
